Alcohol & Drugs

July 25th First News at 10 lead story

Fannin County Pot 2:29 seconds

The Fannin County Sheriff's Office is using social media to track down illegal drugs in the county. They're asking you to keep an eye out for marijuana, because it could be growing in your backyard, without you even knowing it. Fannin County Chief Deputy, James Woods says marijuana is a concern especially at this time of the year, because harvest season for growers start August and September. Just this morning, he says a resident reported seeing the plant growing in his backyard which can produce over a pound of marijuana.

August 13th First News at 6

Drug Dealer Sentenced 1:16

The man convicted of second degree murder after selling a synthetic drug that led to the death of two people is headed to prison. Weddle is accused of purchasing a synthetic drug on the internet and selling it to "Anastasia Jewell" and "Andrew Ackerman", both age 22. Investigators say Jewell and Ackerman died after taking that synthetic drug at a party in may of 2011. Six other people got sick.

August 17th First News at 10 lead story

Denison Dope Debris 3:00

People in one Denison neighborhood say they're sick and tired of picking up used needles and syringes out of their yards. They've tried to get nearby property owners to put a stop to it, but it's still happening, now they're worried about their families' health and safety. Property owners say they hope authorities will find a better way to tackle the issue.

September 3rd, Fox Texoma News at 9

Anti-Drug Event 2:02

A labor day event aimed to teach students about the negative effects of drug use was held in Ardmore this afternoon. The event is sponsored by the Seventh Day Adventist Church, the DeCoster's kids and Legends of Motorcycle Racing..

There was a 40 foot drug education unit with exhibits displaying the harmful effects of drug, alcohol and tobacco use.

September 9th, Fox Texoma News at 9

OBN Drop off Box 1:45

The Marshall County sheriff's office is teaming up with the Oklahoma Bureau of narcotics to help keep prescription drugs off the street and out of the hands of abusers. Tuesday OBN stopped by the Marshall County Sheriff's office to set up a place for people to bring any unused pills, a drop box.

September 27th, First News at 6 lead story

Durant Alcohol Compliance 2:15

Some local restaurants and convenience stores are under legal pressure for selling alcohol to minors. Twenty-one underage volunteers went into Durant convenience stores and restaurants trying to buy beer; Nine of them were successful. This investigation was fully funded by the Under 21 Grant. It's part of an educational program to teach teens and business owners about alcohol safety.

Crime and Personal Safety

July 5th, First News at 10 lead story

4th of July Fires 1:17 seconds

Texoma fire departments put out dozens of grass fires across the area on the 4th... Including Grayson county, where the wild lands task force had to be activated, and they expect several more before the holiday week is over.

Reporter Morgan Downing talked to area chiefs about how they're handled these fires, and how they could be prevented.

July 18th, First News at 10 lead story

Kingston Shooting Victim Memorial 3:10 seconds

Five days after 20-year-old Ashleigh Lindsey was shot to death in her Kingston home, her family says they are beside themselves with grief. Lindsey's mother, Tara Woodlee, tells KXII that Joshua Mahaffey, harassed their family for about a month, before he killed Ashleigh. Tonight, hundreds came together to remember Lindsey, wearing purple ribbons to raise awareness about domestic abuse.

August 30th, First News at 10 lead story

Alleged Molester in Court 2:30 seconds

Several teenagers who claim to have been molested by an Oklahoma entertainer, testified against him in a McCurtain county courtroom today. At least six teens have made accusations of sexual misconduct against 31-year-old Thomas Bradley Porton, accusing him of inappropriately touching himself in front of them, and encouraging them to do the same. According to court records police say a task force executed a warrant back in April and found syringes, pornographic videos, and pharmaceutical tablets among other things in Porton's home.

September 7th, First News at 6 lead story

Callisburg Teen Electrocuted 2:15

A well-liked young man from Callisburg was killed yesterday when he was electrocuted. Today, that small community came together to grieve. A family friend says Colton Bentley died yesterday at a ranch in Oklahoma, when he closed a barn door on an electrical wire and was electrocuted.

September 12th, First News at 10 second story

Cemetery Vase Thefts 2:00

Thieves are stealing vases from a Sherman cemetery. Police say they're likely doing it to make a quick buck. Over the last few weeks over 100 vases, more than \$20,000 dollars worth, have been taken from the Cedarlawn Memorial Park cemetery in Sherman.

September 14th, First News at 6 lead story

Wilson School Vandalism 2:45

Friday nights in Texoma are full of excitement for high school football players and coaches, but one team faced a big loss early yesterday morning, when someone broke into their field house and destroyed their equipment. Principal Gary LaBeth says sporting goods companies have been very helpful, giving them good deals on replacement equipment as they scrambled to scrap together gear for tonight's game.

Economics/Employment/Development

July 6th, First News at 6 lead story

Downtown Sherman Streetscape Development 1:32 seconds

Downtown Sherman is getting a new look, that city officials hope will draw more people to downtown businesses. The project will create 18 new parking spots for downtown and the entire square will be one way only, several intersections will also be re-paved. Construction should be done by Thanksgiving of this year.

July 30th, First News at 10 second story

Cigna New Jobs :40 seconds

170 new jobs are opening up in Denison. Cigna plans to hire 100 customer service representatives and also fill 70 claims positions. Bob Rhoden with Texoma Workforce Solutions says you don't even need special training to apply. About 11-hundred people work at the insurance and health services company. Rhoden says CIGNA's expansion is a good sign for Texoma's business climate.

August 16th, First News at 10 lead story

Knight Furniture Celebrates 100 Years 2:40

A downtown Sherman business is celebrating a major milestone tonight. It's been 100 years since Knight Furniture first opened its doors in 1912. Sherman mayor Bill Magers presented a proclamation, Texas state representative Larry Phillips presented the Knight family with a resolution from Governor Rick Perry, the Texas House of

Representatives and Senator Craig Estes, all in recognition of the store's history and community service.

August 20th, First News at 10 lead story

DDA Buys Land From DISD :40

The Denison Development Alliance is one step closer to their goal of bringing big business to Denison. Tonight the city council approved the DDA's request to buy land off Highway 75 and 84...from Denison ISD. Tony Kaai with the DDA, says next, the school board must approve the purchase. If they do, the DDA will buy the land and market the location to new businesses.

September 18th, First News at 6 lead story

Howe Utility Rates Increase 2:30

Residents in Howe will now have to pay higher property taxes and utility rates. While many aren't happy with the decision city officials say it had to be done. City Administrator Joe Shephard says Howe along with 3 other cities share a water line from Lake Lavon, and keeping up with surface water costs plays a major role in the city's economic struggle.

September 19th, First News at 6 lead story

Panda Power Funding 2:35

Panda energy is officially setting up shop in Sherman, and bringing hundreds of jobs. Panda announced today they've received financing to build the new Sherman plant. the plant construction will bring in around 600 jobs over the next couple years. Panda says it'll create more than 70 permanent jobs once it's open. Panda says the plant will contribute 1.7 billion dollars to the local economy in the first 10 years and Sherman Mayor Bill Magers says that income will have a major impact on the city.

Education

August 22nd, First News at 10 lead story

Bryan County School Bond 2:40

Two area schools are asking for voters to approve bond issues on Tuesday. Both say they're in dire need of improvements. Taxpayer dollars would help fund new buildings for Calera and Silo schools. Early voting begins on Friday. We've posted helpful links on our web channel.

August 27th, First News at 6 lead story

First Day of School Security 3:10

It's always hard to say good bye that first day back at school, but for parents in Sherman and Denison this morning, it was a little easier knowing new security precautions are in place. With money from the most recent school bond, Sherman ISD vamped up its surveillance with the raptor security system. If someone entering the building is a registered sex offender, The raptor system alerts police. With funds from Denison's school bond, they too made some security enhancements.

August 29th, First News at 6 lead story

West Nile Virus and Football 2:20

The Centers for Disease Control says half of the 66 people who've died of West Nile nationwide are from Texas. With high school football kicking off this Friday, local school district is taking extra precautions to protect players and fans from mosquitoes. S&S High School principal, Roger Reed says since kickoff happens around dusk, one of the times when mosquitoes are most active, the district will provide mosquito repellent for players before and during the games.

September 13th, Fox Texoma News at 5:30

Madill School Bond Committee 2:15

After Madill voters rejected a school bond package last month, community members and school officials are trying to figure out why. They say they want to find out what voters want, so they can regroup for a future proposal.

September 17th, First News at 10 lead story

Lamar County School Consolidation 2:20

Paris I.S.D. officials have proposed merging three Lamar county school districts into one, but not everyone's giving the idea a passing grade. The Paris I-S-D School Board President says he proposed merging Paris, North Lamar, and Chisum school districts

together, but he says the other school boards aren't interested in consolidating any time soon.

September 28th, Fox Texoma News at 9

College students across the country are not just struggling to find jobs, they're struggling to pay off their loan debt. It's on the rise nationwide and right here in Texoma.

Environment/Natural Disaster/Weather

July 16th, First News at 10 lead story

Texoma Fire Danger 2:15

A grassfire today in Grayson county burned about 50 acres, and with more hot and dry weather on tap Firefighters say things will likely get worse before they get better. Grayson County Emergency Management says the "Keetch Byrum Drought Index" is expected to reach 600 or greater in the upcoming weeks, that's when Commissioners normally consider implementing a burn ban.

July 26th, First News at 10 lead story

Calera Storm Damage 2:00

High winds are to blame for downed power lines, trees on cars and even small buildings being torn apart. Nearly 300 people were without power in Durant. Storm spotters were in Calera when the storm blew through, citing strong winds as the source of the damage.

August 3, First News at 6 lead story

Oklahoma statewide burn ban 1:10

Oklahoma Governor Mary Fallin issued a state wide burn ban today. The ban prohibits outdoor burning in all 77 Oklahoma counties. The Oklahoma forestry division determined that the conditions made it necessary for a statewide burn ban.

Charcoal and gas grilling is allowed if it's done at least five feet from flammable vegetation.

August 7th First News at 10 lead story

Texoma Marina Storm Damage 1:40

The storm that blew through Whitesboro this evening, not only destroyed some docks, it sank some boats. Boats that weren't completely underwater, were buried under debris. Five docks were blown away from the shore. In fact, one dock was very close to drifting out into Lake Texoma. Texoma Marina staff say they have a lot of cleaning up to do.

August 15th First News at 10 lead story

Denison Gas Leak 2:40

A gas leak prompted the Denison fire department to evacuate several people last night and the residents say it wasn't the first time they've been forced to leave. Residents say it's the second time they've had a gas leak on the new line Atmos Energy installed in their community less than a year ago. They say even though the leak has been repaired, they're afraid it will happen again. Atmos representative Terry Tombo says they will meet tomorrow and hope to come up with a plan to resolve the issue.

August 19th First News Forum

Drought Education 23:00

September 18th, First News at Noon

Safe Family Series: Car Seats 2:00

A survey by the National Highway Traffic Safety Administration, found 20 percent of parents admitted they don't read instruction manuals for installing safety seats.

The NHTSA says the biggest mistakes they found were related to using the wrong slots for seat belts, or leaving the seats too loose.

September 27th, First News at Noon

Safe Family Series: Suicide Prevention 2:00

The American Academy of Child and Adolescent Psychiatry says warning signs include a child who withdraws from their friends and family, begins using drugs or drinking alcohol, there's a change in eating and sleeping habits, or the child starts to neglect their personal appearance. Andrews says TPS has these cards at every school...it includes the number for a suicide prevention hotline and the school has a section of its website for concerned family and friends to report a troubled student. She says it's important to take seriously any comment a child makes about suicide.

Health/Healthcare/Fitness

July 10th, First News at 10 lead story

Bed Bugs in Grayson County 1:47

Grayson County pest controllers tell us they're seeing an increase in Bed Bugs. Five different pest control companies in Grayson County say just 4 years ago they rarely treated bed bugs, but now they're getting multiple calls every month. According to the CDC bed bugs aren't known to spread disease, but their bites could cause a serious allergic reaction in some people. Bites can also lead to excessive scratching that may result in a skin infection.

July 12th, First News at 10 lead story

West Nile Could be headed to Texoma 1:12

This year's first case of West Nile Virus has been reported, and it's in southeastern Oklahoma. Now the state health department is encouraging everyone to take

precautions. Using insect repellent containing DEET, staying away from standing water and avoiding being outside between dusk and dawn are good measures to take.

August 2nd, First News at 6 lead story

West Nile in Fannin County 2:05

Grayson County confirmed its first case of West Nile, today, we learn the disease has hit two other Texas counties. The Texas department of state health services can only confirm two cases in Cooke county, but one Fannin county woman was told she had West Nile after she'd given blood. The disease was found during routine tests done on every blood donation.

August 14th, First News at 10 second story

PTSD in Texas 2:15

Studies show post-traumatic stress is one of the reasons the suicide rate is going up among U.S. Troops. Two veterans KXII spoke with today say they think it's the main reason. So now, they're reaching out to help those who suffer from PTSD, before it's too late. For information about PTSD and other ways to get help, we've posted some resources on our web channel www.kxii.com

September 10th, First News at 6 lead story

Cooke County West Nile Death 2:04
